Five day luxury wine tour Alsace

If you really want to get to know the Alsace: the villages, the food, the wine region and its wines, you should join us on our 5 day tour. We now have the time to really look around without rushing.

We will visit wineries with very different philosophies in Bas Rhin and Haut Rhin. **You will lunch and dine in great restaurants**, some with a German touch, some with an Alsatian touch and some with very refined French cuisine. We will visit the wine museum. Transport is by minibus.

- Day 1) You will arrive at your hotel between 15.00 and 18.00 hours. After your check in we will pour a welcome drink around 18.30. Now you will have a chance to get to know the other people in your group. We will continue with a welcoming dinner.
- Day 2) After your first night and breakfast your mini busses will be waiting. We will visit 4 wineries today. Of course you can taste (and buy) what you want. Lunch is in the middle of the wineries. At the end of the day we come back to the hotel. After freshening up we will have dinner here.
- Day 3) In the morning you are free. We will add some information and suggestions for visits. We will give you tips for a sunny but also for a rainy day. This day is with your own transportation. We will meet at 13.00 at a lovely restaurant. We will enjoy another tasting of several wines and of course some nice food to go with that. After this session (15.00 a 15.30) you are again free for the rest of the day. At night it is up to you where you will have your dinner.
- Day 4) On this fourth day we will start in the wine museum. We will continue our trip to the old village of Riquewihr. Here we will taste some famous Crémants and enjoy our lunch. We will then visit one of the most famous wineries in the region. After this we will take you to the hotel. You can refresh and change clothes if you want. Because at night we will have our great last dinner together at a wonderful location. You can enjoy great wines and of course we will discuss them and all other things we have seen and learned.
- Day 5) After your fourth night you will enjoy your last breakfast. You will check out before or around 11.00.

Groups are from 4 to a maximum of 12 persons.
